## Artemis To Aphrodite

In a drop of cool dew  
on a grassblade  
I find the entire green  
world

I run through it  
I love to be naked  
and hunt with my friends  
did you ever watch

just at sunset  
a mighty stag  
with an arrow in his heart  
drop to his knees and die

sister you have not lived  
until you have gutted a deer  
and thrown its guts  
to the dogs
